Your request was sent to the Supplemental Nutrition Assistance Program for processing. Because of the broad and general nature of the subject of your request, we are unable to

identify which records are being sought. The majority of the emails includes the word SNAP and would be difficult for us to conduct a search and provide responsive records. Under the Departments' regulations (7 CFR 1.3), the requester must describe the records in sufficient detail to enable an employee familiar with the subject area of the request to locate them with a reasonable amount of effort.

Please provide us more information as to exactly what type of materials, documents and/or files pertaining to USDA, Food and Nutrition Service, **SNAP**, are being sought. We will not proceed further with your request until we receive additional clarification from you.

Sincerely,

//Signed//
